

Instructions for new players at State Championships to get Intro Memberships

1. Create a USA Ultimate account for your child.
2. The information listed on the account should be your child's information, with the possible exception of the email.
3. **Do NOT** buy a membership. We just need a USAU ID number.
4. Go to: <https://play.usultimate.org/members/login/> and scroll down to "New to USA Ultimate?"
5. Click the red "Join USA Ultimate" button and follow the instructions (Again do not buy a membership).
6. Once all of the new players on a team have created an account add them to [the Roster Template](#).
 - a. Please create your own copy of the template to fill out the information for your team.
7. Send the completed list to the Youth Competition Manager (joy@hq.usultimate.org).

Once we get the membership list, USAU will send an invoice to the Team Manager for the total amount due for memberships. Once that invoice is paid, we will apply the memberships to the players' accounts.
